TRANSFORMING LIVES THROUGH
PSYCHOLOGICAL TRUTH FROM
THE BIBLICAL PERSPECTIVE

FACULTY OF PSYCHOLOGY

FACULTY OF PSYCHOLOGY

Faculty of Psychology offers an innovative curriculum that has been designed with the aim of producing mature graduates, with an integral understanding of human being from the exposure and mastery of the science of Psychology, as interpreted and delivered from a Biblical Christian Worldview within the framework of the Reformed Theology.

Regular Program

Degree:

**Sarjana Psikologi
(S.Psi.)**

Clinical & Counseling Psychology

Focuses on the science of psychology to treat complex human problems and promote change. The students will be taught about individual differences, normal and abnormal, mental and emotional health, mental disorders and the treatments.

Educational Psychology

Focuses on the application of psychology and psychological methods to the study of development learning, motivation, instruction, assessment, and related issues that influence the interaction of teaching and learning.

Industrial & Organizational Psychology

Focuses on the assessment of behavior in the workplace as well as understanding leadership, management and the employee. Graduates will learn practical ways to improve the workplace for leaders and followers.

TESTIMONY

Gabriel Gradianto

Director of Peoplesight
Learning Center

UPH Psychology 2007

"The Faculty of Psychology at UPH provides holistic education that has ingrained the core values of the UPH vision in me as an alumni. I experienced the integration of Christian faith and knowledge in a curriculum that is tailored for the needs of the developing era. The faculty also provided communities that enable the development of Godly Character."

**Rima Purnama Sinthesia
Simorangkir**

Senior Vice President & Head Branch
of Life Talk Asia (Tangerang Area)

UPH Psychology 2009

"Studying Psychology at UPH has widened my perspective about people, life and myself. In addition, the faculty and staff are very helpful. They are passionate in their teaching and mentoring and have helped me grow better professionally and personally. I am grateful because they have made me a better person and helped me envision a fruitful future."

**Jordyano Marcho Hong
Diyanto**

Student Body Representatives President
of Faculty of Psychology 2017/2018

UPH Psychology 2015

"The Psychology major at UPH has taught me various skills that are beneficial for my personal life and future career. Ranging from expertise in leadership, communication, and observation, to interviewing and counseling skills. I was able to gain these competencies through a range of academic activities and organizational experiences, with the guidance of professional educators."
