

International Teachers College *University-to-Work* Application

If you intend to pay for your own tuition, fees and living expenses, you do not need to complete this application.

Tuition, Fees, and Living Expenses for the ITC cost \$25,000 for the entire academic program and internship. The Pelita Harapan Foundation (YPPH) has developed the ITC *University-to-Work* Program to cover the cost of attendance and living expenses for students who are interested in working for the YPPH or one of our partner schools following graduation.

Students who are accepted into this program will be required to serve at a location determined by the YPPH for a term of three years upon completion of the ITC degree program. Students who do not fully complete their time of reciprocation service will not receive their graduation credentials or transcripts unless they re-pay the balance of their tuition and fees to the YPPH. Students are not able to choose the location of their service but will be placed where the needs match their qualifications.

Please explain why you are applying for the ITC *University-to-Work* Program. Include a description of your family's financial background and an estimate of your average monthly household income in US Dollars. Please use another sheet if necessary:

"By signing this application, I certify that all of the information contained in it is true. I also signify my understanding that by applying for the ITC *University-to-Work* Program from the Pelita Harapan Foundation, I am agreeing to all of the conditions listed in the ITC *University-to-Work* Program Agreement, which is available to me by request and signed by me after official admission to the program. The terms include, but are not limited to, a three-year term of compulsory service teaching in a school in Indonesia or another country that has been chosen by the Pelita Harapan Foundation."
