

Faculty of Nursing

2024

Why Choose Faculty of Nursing at UPH

99.5%

passed the Indonesian Nursing Competency Examination

100%

of our graduates work at Siloam Hospitals Group and partner hospitals abroad

Full scholarship program with reciprocity and service commitment (covering tuition, accommodation, meals, and transportation)

Our Outstanding Features

- Indonesian students have opportunity to be placed at international hospital overseas or in Indonesia
- International students have opportunity to be placed at hospital in home country
- Lecturers proficient in English teach in the program
- Blended learning combines the advantages of face-to-face interaction with the convenience of online resources, making it flexible and adaptable.
- Simulated laboratories provide a controlled setting for students to enhance their clinical abilities and practice before transitioning to an actual healthcare environment.
- Practical experience in various healthcare settings, enabling students to implement their knowledge

Our Graduate Profile

Providers of professional and competent nursing services, who are compassionate, committed to their duties, and demonstrate divine character.

As a Christ-centered learning environment, our nursing program

- Provides transformative and holistic learning based on Biblical truth, offering critical and comprehensive exploration of nursing disciplines as well as related sciences, theories, and practices.
- Contributes to the advancement of nursing knowledge and culture guided by a Biblical Christian worldview. This includes participation in nursing research, academic activities in the field of nursing, community service, and scientific meetings.
- Participates in the development of individuals, families, communities, and the general public by providing holistic nursing care guided by a Biblical Christian worldview.
