Why Study Law at UPH ?

We aim to prepare students for successful careers through academic excellence, skills development, and opportunities to explore various aspects of campus life.

Our programs, including our flagship Business Law track, are tailored to address the dynamic challenges of today's globalized world. Our curriculum, which is constantly reviewed and updated, ensures comprehensive coverage of core and emerging legal fields while inculcating the importance of multidisciplinary learning, leadership, strategic and critical thinking, and social and environmental responsibility.

Our courses are taught by faculty members who are highly experienced professionals, including practicing lawyers, prosecutors, litigators, judges, arbiters, mediators, curators, notaries, parliamentary members, experts from various ministries, and entrepreneurs.

We are also committed to nurturing well-rounded students who excel beyond the classroom by supporting their participations in national and international competitions such as business law competitions, debating competitions, national and international moot competitions, community outreach initiatives, and various extracurricular activities.

70 %

Our Programs

Business Law

Business Law specialization caters to students intending to pursue a career in the broad area of Commercial Law. The curriculum combines strong fundamental theory with practice and research in various fields, including Commercial Law, Banking Law, Intellectual Property Rights, Bankruptcy Law, Contract Law, Consumer Protection Law, and Capital Markets. This specialization offers transformative and experiential learning opportunities centered on integrity, social responsibility and leadership. Practical skills are honed through in-class exercises, participation in moot competitions, and engagement with law practitioners supplemented by internships, field studies, and workshops conducted by legal experts, companies, and business stakeholders.

OUTSTANDING FEATURES

- “Unggul” accredited law program grants you a distinguished edge over other graduates in Indonesia.
- UPH Business Law program lets you become a business law expert from day one, covering everything from contracts to intellectual property.
- Go beyond theory and gain practical skills through real-world case studies, expert guest lectures, and business law competitions.

WHAT YOU WILL LEARN

- Corporate Law
- International Business Transaction
- Real Estate Law
- Tax Law
- Bankruptcy Law
- Competition Law
- Investment Law
- Banking Law
- Capital Market Law

CAREER OPPORTUNITIES

- Corporate Lawyer
- Capital Market Lawyer
- Tax Lawyer
- Mediator and Arbiter
- Data Protection Officer
- Contract Drafter and Reviewer
- Intellectual Property Consultant
- Corporate Secretary
- In-House Lawyer

International Business Law

International Business Law specialization focuses on the study of law relevant to operating businesses in an increasingly interconnected world. It offers students a unique opportunity to explore the complex interplay of Indonesian commercial law and international trade regulations. This specialized track aims to deepen students’ understanding of the legal frameworks governing cross-border transactions, trade agreements, foreign direct investments, and international dispute settlement. Graduates gain a comprehensive understanding of global business dynamics and their impacts on Indonesian business practices. This specialization presents students with opportunities to study abroad through student exchange cooperations with partner universities, enabling them to prepare for dynamic careers in multinational corporations, foreign law firms, government agencies, and non-governmental organizations operating in highly evolving global markets.

OUTSTANDING FEATURES

- UPH International Business Law program combines globally renowned professors, legal insider knowledge, and practical experiences with competitions and international programs.
- UPH International Business Law program prepares you for the globalized legal market by combining Indonesian law with international regulations.
- Studying abroad through exchange programs or a semester at global university partners will give you international experience that helps you succeed in the global legal market.*

*) only for international class.

WHAT YOU WILL LEARN

- Corporate Law
- International Business Transaction
- International Trade Law
- International and Regional Organization Law
- Diplomatic Law
- Law of International Treaty
- Investment Law
- Banking Law
- Capital Market Law

CAREER OPPORTUNITIES

- International Trade Lawyer
- Advisor for Multinational Corporations
- Foreign Counsel
- International Legal Consultant
- Mediator or Arbiter

Legal Practice Proficiency

The Legal Practice Proficiency program is thoughtfully constructed to provide comprehensive and rigorous training for students intending to become advocates before Indonesian courts and quasi-judicial bodies. Students acquire legal research, analysis, argumentation, and drafting skills to enable them to practice in a variety of legal areas including administrative, civil, and criminal litigation. Our lecturers are seasoned law practitioners with extensive experience in guiding students to acquire strong advocacy and communication skills through engaging lectures, intensive legal clinics, and simulating moot court exercises, effectively preparing them to excel in the art and science of litigation practice.

OUTSTANDING FEATURES

- Become court-ready: Gain the comprehensive legal skills and practical training needed to confidently advocate before Indonesian courts and tribunals.
- Master all litigation grounds: Develop expertise in both private and public law.
- Rigorous & Practical: Our program equips you with a deep understanding of the law alongside the essential legal research, analysis, argumentation, and drafting skills for successful litigation practice.

WHAT YOU WILL LEARN

- Islamic Civil Law
- Advocacy Management
- Criminal Act of Corruption
- Islamic Court Procedural Law

Our Alumni

"UPH has become the place for me to deepen my field of interest. The library facilities are very comprehensive, it has almost all the library references I need. The lecturers are qualified in producing quality graduates. Studying at UPH solidified my steps to pursue my education in another country and enabled me to really comprehend the people's aspirations I heard and received as a member of DPR RI. All the best of luck for UPH's Faculty of Law."

HILLARY BRIGITA LASUT

Member Of People's Representative Council Of Indonesia (DPR RI)

JEAN CALVIN SIMANJUNTAK

Kasubdit I Dittipidnarkoba Bareskrim Polri

"I am proud to have studied at UPH. I hope that the knowledge gained during my Doctor of Law study will enhance service to the community. I also strive to apply the values from the police force and education in the real world. Because everything we gain in education and the police force is for the benefit of serving the public. It's all for the people."

HENDRA ONG

Partner, Dentons HPRP Law Firm

"The curriculum and learning methods prepared by UPH, supported by its excellent social environment, has led me to become a law graduate capable of handling legal cases not only through legal but also from a commercial perspective. This benefits me greatly especially in business transactions that I handle right now as a corporate lawyer."

MARKUS

Regent Of West Bangka 2019-2021

"As a UPH Faculty of Law alumnus, I benefited greatly from the knowledgeable lecturers and up-to-date materials. The engaging classroom discussions and encouragement to express opinions have been invaluable to my growth. I am proud to be an alumnus and hope UPH continues to enhance its reputation, striving to be the best university in Indonesia and beyond."
